From Publisher

In this book, we've collected words, phrasal verbs, and idioms you should know to write and speak English fluently.

This is the third and final book in a series of in-depth English dictionaries from Premier English Learning Publishing (the first two are *English C1 Advanced Vocabulary* and *English C2 Proficiency Vocabulary*).

This book contains only the most important words with clear and simple definitions and up-to-date example sentences.

Study at home, on the road, or in class; bookmark pages; and remember that repetition is the key to memory.

Vocabulary

Ablaze

Meaning: Burning very strongly; brightly colored.

Example: Our house was ablaze in a few minutes; the street was ablaze with lights.

Abound in

Meaning: Filled; contains a very large amount of something or someone.
